

Sunday Workshop/Social

A warm welcome and a fun day was had by all fundraising for the LDF at St. Matthew's Sports & Social Club, Burntwood. The event was hosted by Sharon and guest choreographers Alan Birchall, Chris Hodgson and Dee Musk.

With social dancing in between teaches Chrissie started us off with her new dance "Angie Baby", Dee then taught her Waltz "Crazy Girl", and Alan taught his new dance "Late In The Evening" with a classic alternative track by Bon Jovi (complete with air guitars) taking it to another level!! We re-capped all the dances before Sharon's husband Rob supplied us with a welcome Sunday Lunch – veggies as always well catered for too!

To help our dinner go down a few warm up dances then Dee then taught "What About My Dreams?", Chrissie taught "The Coast Is Clear", and Alan taught a lovely older dance of his called "You", Alan also offered an impromptu teach of "Soul Food" which had all of us in stitches!!!

A big Thank You to the Choreographers for making this day happen, and to everyone that supported this worthy charity, we raised £344 from door entry, LDF wrist bands, LDF cd's and dance scripts donations. This will be added to proceeds from the next event in October.
